

## Traffic Pattern and Parking Procedures

- All traffic must enter from Pleasant Street ONLY. Entrances and exits on Lakeview Drive are NOT permitted for Ivy Hawn parents.
- Parents are highly encouraged to use the drop-off / pick-up loop.
- Lakeview Dr. cannot be used as a second parent loop. We do not have parking rights to the apartments, Creative Arts Learning Academy, or Volusia Academy of Gymnastics and Dance. Lakeview Dr. is used for buses to exit only. Please continue to use the front of the school for parent drop-off and pick-up.
- Students are only permitted to exit vehicles when directly in front of the building beginning at the Ivy Hawn sign and extending to the last cone. Students may not exit vehicles on the far side of the parent loop.
- Please put the pink parent pick up sign in clear sight on your dashboard or front window. This will expedite the process of having your child ready for pick up.
- If you find it necessary to park and escort your child to the front door, please follow these parking guidelines:
  - Do not park in front or across from Creative Arts Early Learning Academy
  - Do not park in front of Volusia Academy of Gymnastics and Dance or along the side of the building
  - Do not park in front of or directly across from the Power Volleyball facility.
  - Acceptable parking is in the lot across from the school on the hill. Please use the walkway to cross.
  - Do not walk down through the grass.
  - Please only walk your child to the front door. Ivy Hawn faculty will supervise them from that point forward.
- All buses enter from Pleasant Street at the back of the building and exit out Lakeview Drive. The back parking lot is for Faculty & Staff only.
- Parking spots that are in front of the elementary door / pick-up loop are to remain open from 2:30 until the pick-up loop is clear.
- Adherence to these guidelines is critical to a smooth, seamless and safe arrival and dismissal process.

**The safety of your children is our first priority. Please follow the procedures very carefully in order to keep *all* of our children safe.**
