

## Welcome to Elementary Music!

Here are a few things about music class this year to help answer questions about cleaning, social distancing, and materials students should bring 😊

**Cleaning Procedures:** To provide a safe and clean environment, students will sanitize their hands coming in and when exiting class. Students will also wear masks to help stop the spread of germs. Instruments will not be shared and will be cleaned by Miss Holvey if used. Miss Holvey will also be following the CDC procedures in regards to singing.

**Social Distance:** Each student will have their own dot on the floor to sit and stand on. Each dot is 4ft apart from all other dots.

**Materials:** Students will need to bring their own dry erase marker and pencil to music class. If any more materials are needed, Miss Holvey will announce it on Classroom Connect.

If you have any questions or concerns, don't hesitate to email!

Miss Holvey
