My student has my permission to audition for **Matilda Jr.** I understand not all students who audition will be cast in the show even if they have been cast in other plays. If cast, my student will attend all rehearsals for which they are called. If my student isn't cast in the play they may fulfill a crew position.

- I have listed any conflicts my student has on back. (Please include any activities that would prevent the student from attending rehearsals. It is better for the director to be informed of any routine conflicts, like dance lessons, piano lessons, etc. Thank you!)
